

The Orewa Surf Club was founded in 1950. The first clubhouse built in 1951 was wrecked by a NE gale and washed out to sea. The more substantial building seen here was built in 1952 and served the club well until 1960 when the beginnings of the present clubhouse commenced. **Do you have historic photos of the coast you would like to share? EMAIL them to: [info@rosalind.co.nz](mailto:info@rosalind.co.nz) or Post them to Rosalind, PO BOX 463, Orewa 0946** The photo and donation will be given to the Silverdale & Districts Historical Society and may be published.
