Bayleys Orewa, 14 Florence Avenue, Orewa, Mackys Real Estate Limited MREINZ, Bayleys, Licensed under the REA Act 2008

OREWA

Just twenty-five minutes north of Auckland's harbour bridge, Orewa Beach spreads inland from the edge of a magnificent three kilometre beach. Orewa Beach is the commercial heart of the Hibiscus Coast and Rodney district. If you need to work in the city but want the lifestyle that the beach offers – you have come to the right place.

The beach extends along the length of the town, providing a broad sandy promenade at low tide. Extensive grassy reserves and a children's playground border the beach. The town centre itself has a great variety of shops and services, restaurants, banks, supermarkets, dairies and

accommodation. Orewa has two excellent local primary schools in Orewa Primary and Orewa North Primary School. Orewa College is a highly regarded local secondary school.

Orewa is a great destination if you like swimming, surfing, kayaking, windsurfing and kite surfing. For coastal views, you can't beat a stroll along the Millennium Walkway. Beyond the beach, entertainment possibilities within easy reach of Orewa include golf at Gulf Harbour, wine trails, hiking in regional parks, ten pin bowling, cycling, mini golf, cinema, horse riding, go-carting, indoor skiing and thermal hot pools of Waiwera.

Whether you already enjoy the outstanding lifestyle opportunities that Orewa offers or you are considering a move, I look forward to assisting with your real estate needs at our Orewa office at 14 Florence Avenue.
